RE: Restrictions on Over-the-Air Reception Devices / CS Docket No. 96-83
Preemption of Local Zoning Regulation of Satellite Earth Stations, IB Docket
No. 95-59

Dear Mr. Caton:

I am writing to express my concern about the above captioned rule changes. It appears that these revised changes in policy would allow residents in apartment communities or tenants of commercial office space and shopping centers to install satellite dishes on balconies, windows, roofs, or anywhere on the exterior of the building without the prior approval of the property owner.

We are a management agent specializing in residential property management and commercial space. Our portfolio consists of 121 properties and a total of 22,313 units, including commercial space. Enclosed are two of the leases and rules and regulations containing external fixtures clauses which are used on the properties in our portfolio.

We are seeking interpretation of our lease clauses that will not allow the attachment of fixtures; i.e., satellite dishes, antennae, flags, awnings, light fixtures, etc. These fixtures could possibly devalue the property or create unnecessary disputes between residents because they block their view or otherwise interfere with their quiet enjoyment of the premises.

In addition, I am not certain how the proposed rules would apply and am requesting guidance in determining which provisions of these leases might be considered nongovernmental restrictions or impairments under the proposed rules.

Again, there is a clear need for clarification and I would appreciate guidance on this issue. Specifically, we are requesting that the FCC review our lease forms enclosed and let me know which terms would violate either of the proposed rules. Thank you for your assistance.

Sincerely,

1. Parties and Dwelling Unit:

The parties to this Agreement are _____, referred to as the Landlord and _____, referred to as the Resident. The Landlord leases to the Resident Unit Number _____, located at _____ in the community known as _____.

2. Length of Time (Term):

The initial term of this Agreement shall begin on _____ and end on _____. After the initial term ends, the Agreement will continue on successive terms of one _____ each unless automatically terminated as permitted by Paragraph 23 of this Agreement.

3. Rent:

The Resident agrees to pay \$_____ for the partial month ending on _____. After that, the Resident agrees to pay a rent of \$_____ per month. This amount is due on the _____ day of the month at _____. The Resident understands that this monthly rent is less than the market (unsubsidized) rent due on this unit. This lower rent is available either because the mortgage on this community is subsidized by the Department of Housing and Urban Development (HUD) and/or because HUD makes monthly payments to the Landlord on behalf of the Resident. The amount, if any, that HUD makes available monthly on behalf of the Resident is called the Tenant Assistance Payment and is shown on the "Assistance Payment" line of the Certification and Recertification of Tenant Eligibility Form which is Attachment No. 1 to this Agreement.

4. Changes in the Resident's Share of the Rent:

The Resident agrees that the amount of rent the Resident pays and/or the amount of assistance that HUD pays on behalf of the Resident may be changed during the term of this Agreement if:

- a. HUD or the Contract Administrator (such as a Public Housing Agency) determines, in accordance with HUD procedures, that an increase in rents is needed;
- b. HUD or the Contract Administrator changes any allowance for utilities or services considered in computing the Resident's share of the rent;
- c. the income, the number of persons in the Resident's household or other factors considered in calculating the Resident's rent change and HUD procedures provide that the Resident's rent or Assistance Payment be adjusted to reflect the change;
- d. changes in the Resident's rent or Assistance Payment are required by HUD's recertification or subsidy termination procedures;
- e. HUD's procedures for computing the Resident's Assistance Payment or rent change; or
- f. the Resident fails to provide information on his/her income, family composition or other factors as required by the Landlord.

The Landlord agrees to implement changes in the Resident's rent or Resident's Assistance Payment only in accordance with the time frames and administrative procedures set forth in HUD's handbooks, instructions and regulations related to administration of multifamily subsidy programs. The Landlord agrees to give the Resident at least 30 days advance written notice of any increase in the Resident's rent, except as noted in Paragraphs 11, 15 or 17. The Notice will state the new amount the Resident is required to pay, the date the new amount is effective, and the reasons for the change in rent. The Notice will also advise the Resident that the Resident may meet with the Landlord to discuss the rent change.

By signing this Agreement, the Resident acknowledges that the unit is safe, clean and in good condition. The Resident agrees that all appliances and equipment in the unit are in good working order, except as described in the Unit Inspection Report which is Attachment No. 2 to this Agreement. The Resident also agrees that the Landlord has made no promises to decorate, alter, repair or improve the unit, except as listed on the Unit Inspection Report.

8. Security Deposits:

The Resident has deposited \$_____ with the Landlord. The Landlord will hold this deposit for the period the Resident occupies the unit. After the Resident moves from the unit, the Landlord will determine whether the Resident is eligible for a refund of any or all of the security deposit. The amount of the refund will be determined in accordance with the following conditions and procedures:

- a. The Resident will be eligible for a refund of the Security Deposit only if the Resident provided the Landlord with the 30-day written notice of intent to move required by Paragraph 23, unless the Resident was unable to give the notice for reasons beyond the Resident's control.
- b. After the Resident has moved from the unit, the Landlord will inspect the unit and complete another Unit Inspection Report. The Landlord will permit the Resident to participate in the

- f. The Resident understands that the Landlord will not count the Security Deposit toward the last month's rent or toward repair charges owed by the Resident in accordance with Paragraph 11.

9. Keys and Locks:

The Resident agrees not to install additional or different locks or gates on any doors or windows of the unit without the written permission of the Landlord. If the Landlord approves the Resident's request to install such locks, the Resident agrees to provide the Landlord with a key for each lock. When this Agreement ends, the Resident agrees to return all keys to the dwelling unit to the Landlord. The Landlord may charge the Resident \$_____ for any key not returned.

10. Maintenance:

- g. place any aerials, antennas or other electrical connections on the unit.

13. General Restrictions:

The Resident must live in the unit and the unit must be the Resident's only place of residence. The Resident shall use the premises only as a private dwelling for the Resident and the individuals listed on the Certification and Recertification of Tenant Eligibility. The Resident agrees to permit other individuals to reside in the unit only after obtaining the prior written approval of the Landlord.

- a. The Resident agrees not to:
 1. sublet or assign the unit, or any part of the unit;
 2. have pets or animals of any kind in the unit without the prior written permission of the Landlord; or
 3. make or permit noises or acts that will disturb the rights or comfort of neighbors. The Resident agrees to keep the volume of any radio, stereo equipment, television or musical instrument at a level which will not disturb the neighbors.
- b. The Resident agrees that the Resident and members of the household must not engage in or permit:
 1. any criminal activity, including drug-related criminal activity, whether in the unit or elsewhere in or near the community; or
 2. any other unlawful activity in the unit or in the community.

14. Rules:

The Resident agrees to obey the House Rules which are Attachment No. 3 to this Agreement. The Resident agrees to obey additional rules established after the effective date of this Agreement if:

- a. the rules are reasonably related to the safety, care and cleanliness of the building and the safety, comfort and convenience of the Residents; and
- b. the Resident receives written notice of the proposed rule at least thirty (30) days before the rule is enforced.

15. Regularly Scheduled Recertifications:

Every year around the _____ day of _____, the Landlord will request the Resident to report the income and composition of the Resident's household and to supply any other information required by HUD for the purposes of determining the Resident's rent and assistance.

(2) implement any increase in rent resulting from the recertification processing without providing the 30-day notice otherwise required by Paragraph 4 of this Agreement.

b. The Resident may request to meet with the Landlord to discuss any change in rent or Assistance Payment resulting from the recertification processing. If the Resident requests such a meeting, the Landlord agrees to meet with the Resident and discuss how the Resident's rent and Assistance Payment, if any, were computed.

16. Reporting Changes Between Regularly Scheduled Recertifications:

a. If any of the following changes occur, the Resident agrees to advise the Landlord immediately:

(1) Any household member moves out of the unit.

(2) An adult member of the household who was reported as unemployed on the most recent certification or recertification obtains employment.

(3) The household's income cumulatively increases by \$40.00 or more a month.

b. The Resident may report any decrease in income or any change in other factors considered in calculating the Resident's rent. Unless the Landlord has confirmation that the decrease in income or change in other factors will last less than one (1) month, the Landlord will verify the information and make the appropriate rent reduction. However, if the Resident's income will be partially or fully restored within two (2) months, the Landlord may delay the certification process until the new income is known, but the rent reduction will be retroactive and the Landlord may not evict the Resident for nonpayment of rent due during the period of the reported decrease and the completion of the certification process. The Resident has thirty (30) days after receiving written notice of any rent due for the above described time period to pay or the Landlord can evict for nonpayment of rent.

c. If the Resident does not advise the Landlord of these interim changes, the Landlord may increase the Resident's rent to the HUD-approved market rent. The Landlord may do so only in accordance with the time frames and administrative procedures set forth in HUD's regulations, handbooks and instructions on the administration of multifamily subsidy programs.

d. The Resident may request to meet with the Landlord to discuss how any change in income or other factors affected the Resident's rent or Assistance Payment, if any. If the Resident requests such a meeting, the Landlord agrees to meet with the Resident and explain how the Resident's rent or Assistance Payment, if any, was computed.

17. Removal of Subsidy:

a. The Resident understands that assistance made available on the Resident's behalf may be terminated if events in either items (1) or (2) below occur. Termination of assistance means that the Landlord may make the assistance available to another Resident and the Resident's rent will be recomputed. In addition, if the Resident's assistance is terminated because of criterion (1) below, the Resident will be required to pay the HUD-approved market rent for the unit.

(1) The Resident does not provide the Landlord with the information or reports required by Paragraph 15 or 16 within ten (10) calendar days after receipt of the Landlord's notice of intent to terminate the Resident's assistance Payment.

(2) The amount the Resident would be required to pay toward rent

determines the Resident is eligible for assistance, and assistance is available.

18. Resident's Obligation To Repay:

If the Resident submits false information on any application, certification or request for interim adjustment or does not report interim changes in family income or other factors as required by Paragraph 16 of this Agreement, and as a result, is charged a rent less than the amount required by HUD's rent formulas, the Resident agrees to reimburse the Landlord for the difference between the rent the Resident should have paid and the rent the Resident was charged. The Resident is not required to reimburse the Landlord for undercharges caused solely by the Landlord's failure to follow HUD's procedures for computing rent or Assistance Payments.

19. Size of Dwelling:

The Resident understands that HUD requires the Landlord to assign units according to the size of the household. If the Resident is or becomes eligible for a different size unit, and the required size unit becomes available, the Resident agrees to:

- a. move within thirty (30) days after the Landlord notifies the Resident that a unit of the required size is available within the community; or
- b. remain in the same unit and pay the HUD-approved market rent.

20. Access by Landlord:

The Landlord agrees to enter the unit only during reasonable hours, to provide reasonable advance notice of the Landlord's intent to enter the unit, except when emergency situations make such notices impossible or except under Paragraph c below.

- a. The Resident agrees to permit the Landlord, the Landlord's agents or other persons, when authorized by the Landlord, to enter the unit for the purpose of making reasonable repairs and periodic inspections.
- b. After the Resident has given a notice of intent to move, the Resident agrees to permit the Landlord to show the unit to prospective Residents during reasonable hours.
- c. If the Resident moves before this Agreement ends, the Landlord may enter the unit to decorate, remodel, alter or otherwise prepare the unit for re-occupancy.

21. Discrimination Prohibited:

The Landlord agrees not to discriminate based upon race, color, religion, creed, national origin, sex, age, handicap, membership in a class, such as unmarried mothers or recipients of public assistance, or because there are children in the family, or any other prohibited basis for discrimination.

22. Change in Rental Agreement:

The Landlord may, with the prior approval of HUD, change the terms and conditions of this Agreement. Any changes will become effective only at the end of the initial term or a successive term, provided further, that the change in the Resident's share of rent, pursuant to Paragraph 4. hereof, may be modified during the lease term as set forth in Paragraph 4. The Landlord must notify the Resident of any change and must offer the Resident a new Agreement or an amendment to the existing Agreement. The Resident must receive the notice at least sixty (60) days before the proposed effective date of the change. The Resident may accept the changed terms and conditions by signing the new Agreement or the amendment to the existing Agreement and returning it to the Landlord. - (4) other good cause, which includes, but is not limited to, the Resident's refusal to accept the Landlord's proposed change to this Agreement. Terminations for "other good cause" may only be effective as of the end of any initial or successive term.

The term "material noncompliance" with the lease includes: (1) one or more substantial violations of the lease; (2) repeated minor violations of the lease that: (a) disrupt the livability of the community, (b) adversely affect the health or safety of any person or the right of any Resident to the quiet enjoyment of the leased premises and related community facilities, (c) interfere with the management of the community, or (d) have an adverse financial effect on the community; (3) failure of the Resident to timely supply all required information on the income and composition, or eligibility factors, of the Resident household (including, but not limited to, failure to meet the disclosure and verification requirements for Social Security Numbers, or failure to sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies), or to knowingly provide incomplete or inaccurate information; and (4) non-payment of rent or any other financial obligation due under the lease beyond any grace period permitted under State law. The payment of rent or any other financial obligation due under the lease after the due date but within the grace period permitted under State law constitutes a minor violation.

- c. If the Landlord proposes to terminate this Agreement, the Landlord agrees to give the Resident written notice of the proposed termination. If the Landlord is terminating this Agreement for "other good cause", the termination notice must be mailed to the Resident and hand-delivered to the dwelling unit in the manner required by HUD at least thirty (30) days before the date the Resident will be required to move from the unit. Notices of proposed termination for other reasons must be given in accordance with any time frame set forth in State and local law. Any HUD-required notice period may run concurrently with any notice period required by State or local law. All termination notices must:

The 10-day period will begin on the earlier of the date the notice was hand-delivered to the unit or the day after the date the notice is mailed. If the Resident requests a meeting, the Landlord agrees to discuss the proposed termination with the Resident; and
- (4) advise the Resident of the his/her right to defend the action in court.

- d. If an eviction is initiated, the Landlord agrees to rely only upon

or rain to the extent that the unit cannot be lived in and the damage is not caused or made worse by the Resident, the Resident will be responsible for rent only up to the date of the destruction. Additional rent will not accrue until the unit has been repaired to a livable condition.

26. Penalties for Submitting False Information:

Knowingly giving the Landlord false information regarding income or other factors considered in determining Resident's eligibility and rent is a material noncompliance with the lease subject to termination of residency. In addition, the Resident could become subject to penalties available under Federal law. Those penalties include fines up to \$10,000 and imprisonment for up to five (5) years.

27. Contents of this Agreement:

This Agreement and its Attachments make up the entire Agreement between the Resident and the Landlord regarding the unit.
